

AFSA National Conference
Putting Your Best 'Fert' Forward
Coffs Harbour 3 – 6 August 2009

PARTNERS' PROGRAMME

Tuesday 4 August - **Dorrigo World Heritage Park**

The coach departs the Resort at 9.00am for a visit to Dorrigo and the famous National Park and Sky Walk.

We travel through the lush Bellinger Valley, stopping in Bellinger for morning tea and a stroll, before heading along the beautiful Waterfall Way.

We visit Dangar Falls, a beautiful 30m waterfall set amid scenic farmlands before arriving in Dorrigo where there will be an opportunity to wander through the township before having lunch at the historic Dorrigo Hotel.

We then continue on to the World Heritage listed National Park and take a walk on the Sky Walk.

On the way home there will be a stop at the Old Butter Factory in Bellinger.

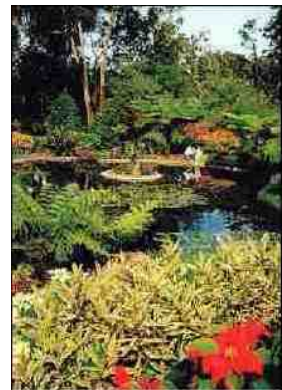

We will return to the Resort by 5.00pm.

Wednesday 5 August - **Garden Mania** - *an opportunity today to experience the beauty of the native and exotic plants of the North Coast*

The members of the Coffs Harbour Garden Club have invited us to visit and enjoy morning tea in one of the prized gardens which has been a winner year after year in the annual garden competition - a large country garden with a beautiful rain forest walk as a highlight. The owner is delighted to host us.

A local town tour will be followed by a visit to the Botanic Gardens for a guided walk and lunch.

We will return to the Resort in time for afternoon tea and the final conference session.

We encourage you to indicate your participation in either or both of these activities as minimum numbers are required for organisational purposes.
